GENERAL APPEARANCE

****Students must be in proper uniform daily.**

Hair

The main focus for hair at the Catholic Academy of Bridgeport for both boys and girls, is that however it is worn, children must come to school with their hair clean and groomed. Additionally, no non-natural colors are permitted (i.e: pink, purple, green, etc.). No designs, logos, or words should be cut into hairstyles. Parents and students should take into consideration and avoid any styles that might distract or impede the ability of the child, or the child's classmates, to focus on learning. Hair must always be worn in a way that does not impair the child's vision, or impede the ability of those around them to see easily during class.

Scheduled Out of Uniform Days

During the year, there will be certain days when the uniform is not required. Dress on those days will be in compliance with the rules of modesty and decorum and should be according to the theme for the day. **Guidelines for out of uniform days include the following:**
